Applicant : Sri. Faizal Nannatt House, Omachapuzha P O, Karinkapara Tirur, Malappuram.

Notes

The Stage Carriage KL 10/N 6056 is operating on the route Naalkavala - Pakadapuraya With Naalkavala Kondotty Two Trips Via Kolapuram Kunnumpuram Kodangadand Touching Tirur 2 Trips Via Karingapara Via Kozhichena, Kakkad Chemmad Mannumpilakkal Pandikasala Muthalamad Vengara Kacheripadi Baalanpeedika As O S. Regular Permit valid upto 24-07-2012. The permit holder of KL-10 N 6056 has applied for renewal of permit. But as per the decision of STA , Kerala held on 3-3-2009 it was decided not to grant fresh permits to stage carriage having lesser carrying capacity in view of the practice among stage carriage operation to replace existing stage carriages with vehicles having lesser seating capacity.

As per section 72(2) of the Motor Vehicles Act, Regional Transport Authorities are empowered to impose the condition that the vehicles of a specified type fitted with body conforming to approved specification shall be used. The decision Bench of Hon'ble High Court in 2001 (2) KLT 209 made it clear that the safety and convenience of the passengers who travel in a stage carriage, apart from the roadworthiness of the stage carriage is certainly a relevant factor that has to weigh with the Regional Transport Authorities while granting a stage carriage permit. It is further held that for the reason that it is not specifically prescribed under Rules it cannot be said that the RTA acted illegally. In imposing such 'restriction' since under section 72(2) of the Motor Vehicles Act it is well within his powers to insist for a vehicle of a specified prescription. Hon'ble High Court in Judgement dated 2/08/2003 in OP No. 572/03 and connected cases has observed that issue of permits to vehicles with four wheels to operate as Stage Carriages will be great risk to the public life also held that the RTA enjoy the power to impose restriction in regard to the type of vehicle that could be used as stage carriages are justified in prohibiting issue of stage carriage permits to vehicles with only four wheels on account of the risk of the public life. Hence this renewal was not considered since this is a four wheel vehicle.

G.O.(P) No 67/2011/Tran dated 30-11-2011 in which govt has decided not to issue stage carriage permits to vehicles having four wheel .The permit holder produced judgement in WP (C) No. 7026/2012 dated 28-03-2012 in which the Court directed the Secretary, RTA to issue Temporary permit. To continue the service without interruption

Hence RTA may consider the application for renewing the permit and take a decision in this matter.

This Autorickshaw KL-10-AK-1625 is a new vehicle purchased on ...i.e. after 01.04.2004.
